Huh? Isnt that Hi-kun?
What are you doing here?

Kazuki?! What are you doing here?!
Maby we're here for the same reason?
I want to talk to Kureha-chan alone
I under-stand ...

Are you together with Hi-kun?

Didn't he kiss you?
mh ...
Hi-kun is a stoic person ...
He's can't seperate love and work
.....

Please choose me!

Since I'm already an idol we can't be together openly
and you will probably suffer from the pressure
but don't worry ...
I won't abondon you or play with your heart

He's a kind and wonderful person ...
And he told me his feelings directly ...
He asked me if I am Maki Kogure
Kazuki-kun
I'm sorry
But ...

And thanks to him ...
I was able to take the first step ...
... I see
How nice eh, Hiro-kun?
He is my goal
I ... love Hiro-kun!

Kureha-chan is so determined
Kazuki ...
If Hi-kun makes you cry, you can always come to me
Eh?! Hiro-kun?!
Eeh?!

Let's go
I won't let that happen

He is my goal!
